MEMORANDUM FOR: Chief, Far East Division
Director of Personnel

SUBJECT

:

25X1

1. On 2 July I sent a memorandum to the Director of Personnel (with info copies to C/FE, D/OCI, D/NE) concerning who had written me at the suggestion of a mutual friend about the possibility of Agency employment.

25X1

2. I have received a copy of a 30 July memorandum from reporting a session he had with on 28 July during which they discussed the possibility of a contract position . I have also received, however, a note from an officer in the Office of Personnel mentioning an earlier interview with during which the general question of Agency employment was discussed.

3. I appreciate the courtesy of the various offices involved in keeping me informed of developments in this affair, though I want to make it clear that I have no direct personal association with and am certainly not trying to push his case. I am, however, a trifle concerned because memorandum reflects no awareness of the Office of Personnel's contact and the letter from the gentleman from that office reflected no awareness of FE/ interest.

25X1

4. I am, therefore, forwarding this memorandum to try to insure that wires do not get crossed and contact with is not persued by two offices, each unaware of the others activity.
